

# Mosman Historic Vehicle Club

Issue 5

21 June 2023

With 2022/23 drawing to an end, it's time for next year's subscriptions to be paid. Email notifications will be sent out shortly, by the Club's Public Officer.

Michelle Sleeman, Editor.

## BUSINESS

The Club's 2023 Annual General Meeting will be held at 5.30 pm on 9 August 2023 at the Warringah Bowling Club. We are hoping for good attendance. Refreshments will be served following the meeting.

The Club now has 21 financial members owning, between them, about 46 historic vehicles (39 cars and 7 motor cycles).

## CLUB EVENTS

Post-Covid travel by the majority of the Committee has frustrated event planning. But the Club Secretary's wife's Fiat 500 based Autobianchi had an outing in Germany.

MHVC

## NEW MEMBERS

Member #18, Nathan O'Neill, 1980 Datsun 620, a one tonner powered by a 1.5 litre petrol engine.

Member #19, Conor Quinn, 1989 ex-Army Land Rover 110 'Perentie', powered by 3.9 litre Isuzu diesel.

## NEW MEMBERS (continued)

Member #20, Mark Kessler, 1970 Mercedes 220. Known as model W115, these were very durable cars. The Mercedes Museum evidently houses a Greek ex-taxi that did 4.6 million kilometres!

Member #21, Joe Lenehan, 1981 Mercedes 280SE (model W126), a car Joe has been hunting for some time.

## MEMBER NEWS

The acquisitive antics of the *Pace Athletic* team have continued....

Stuart Sleeman has acquired a 1979 BMW 320, one-owner, with comprehensive service records.

Will Hatton has acquired a 1994 Ford Fairlane stretch limo.

And the Club President's Lambretta restoration project is coming along nicely, painted to match his Kombi.
