

# Mosman Historic Vehicle Club

Issue 1

16 - March - 2021

Now that the Club is well and truly up and running it is opportune to tell everyone, including our new Members, what has been happening. Welcome to our first newsletter, Michelle Sleeman, Editor.

## HISTORY

For the record, the clubs history to date is as follows.

Start-up of the Club is something that several Founding Members talked of from time to time.

Ultimately, in October 2020 Roland Sleeman set out to get things moving. A Constitution was prepared and, on 10 November 2020, the Club was officially Incorporated under the NSW Associations Incorporation Act.

This was followed, on 8 January 2021, by the Club receiving Roads and Maritime Services approval for the Club's Members to be issued with Historic Vehicle Registration.

The first meeting of the Club's Committee was held on 27 November 2020.

Next development will be the launch of our website:

[mhvc.com.au](http://mhvc.com.au)

We will let you know when it's up and running

## CLUB EVENTS

The Club has to date only held one official event, an overnight trip to St Albans, staying at the Settlers Inn. Four Members went along, this being all that could be accommodated at the Inn!

The 2021 'Volkswagen Spectacular', to be held late July in Macksville, might be an event of interest to Members?
